

Data Science in EES  
Challenge 2 (Group 2)  
Author: Lucas Lillelund (@loulillelund)

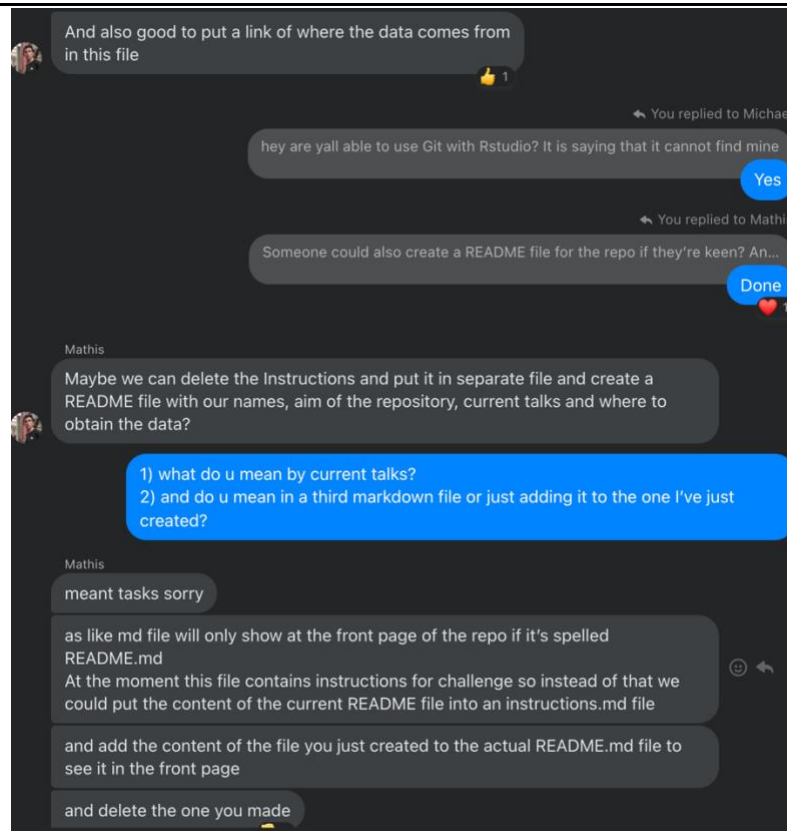

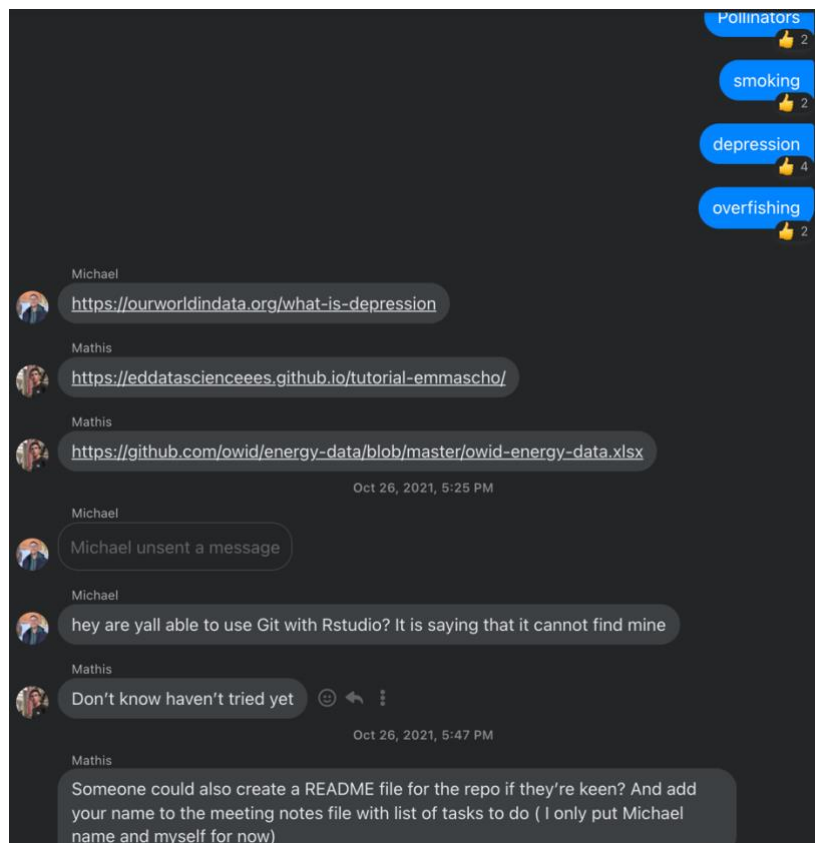

Evidence of Collaboration Outside GitHub (Facebook Messenger)

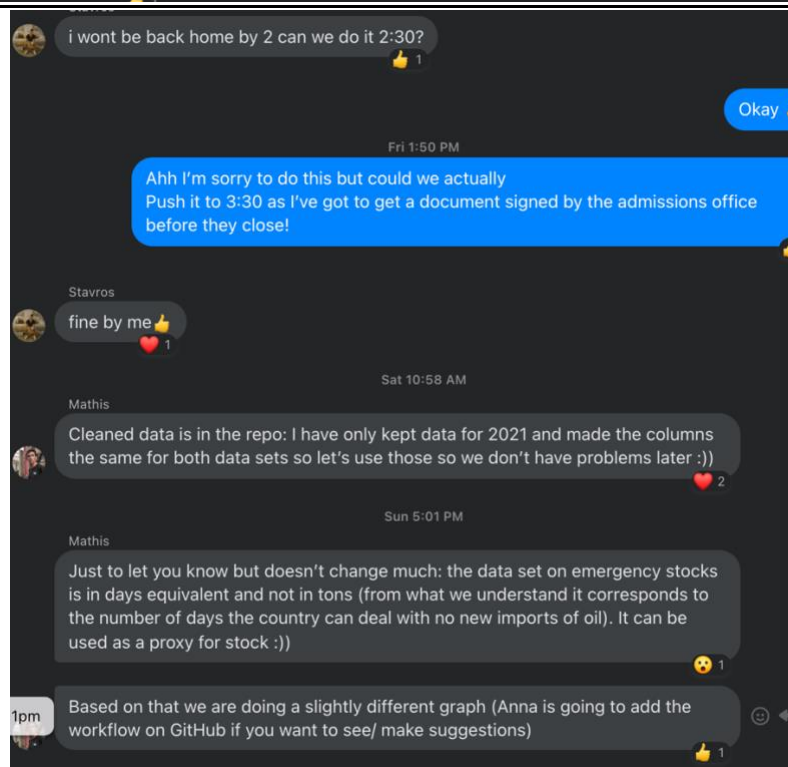

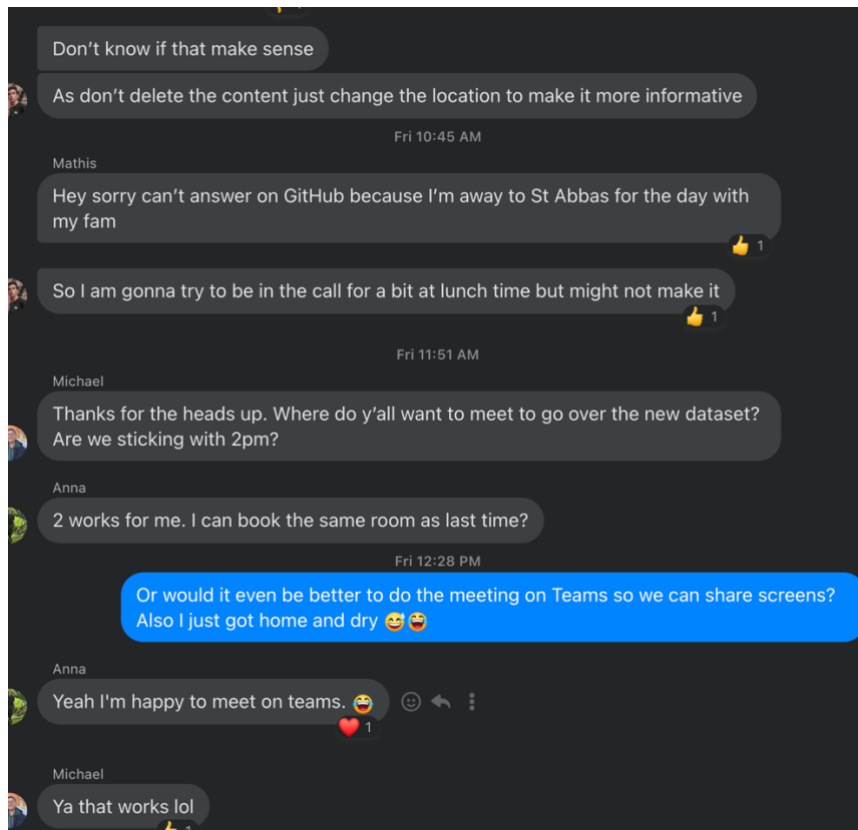

The following messages depict messages from our group's first meeting to discuss ideas up until messages surrounding our finalizing thoughts of our chosen topic, narrative and output(s).

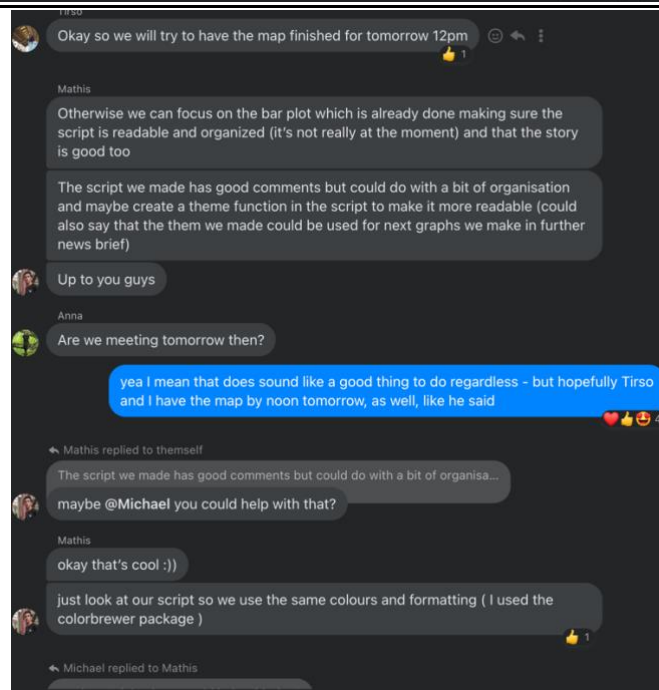

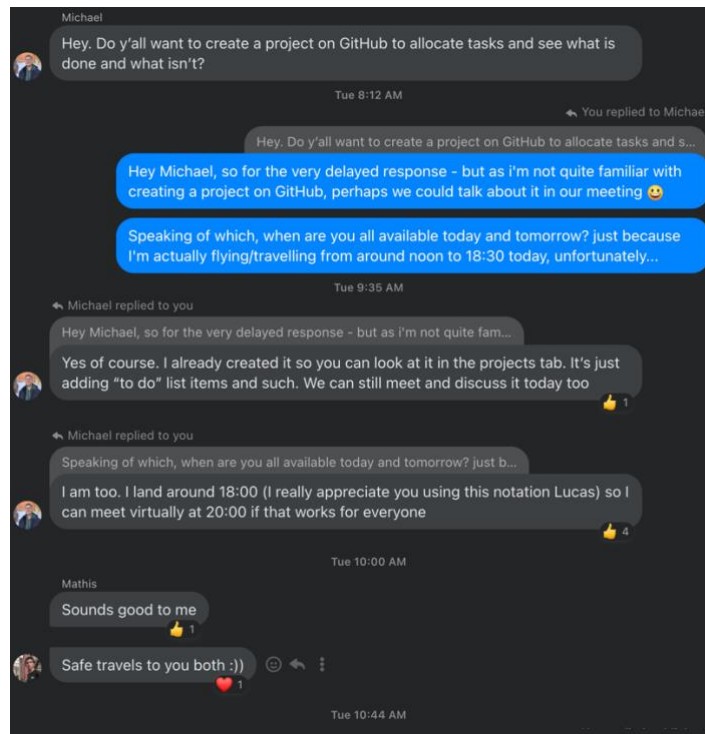

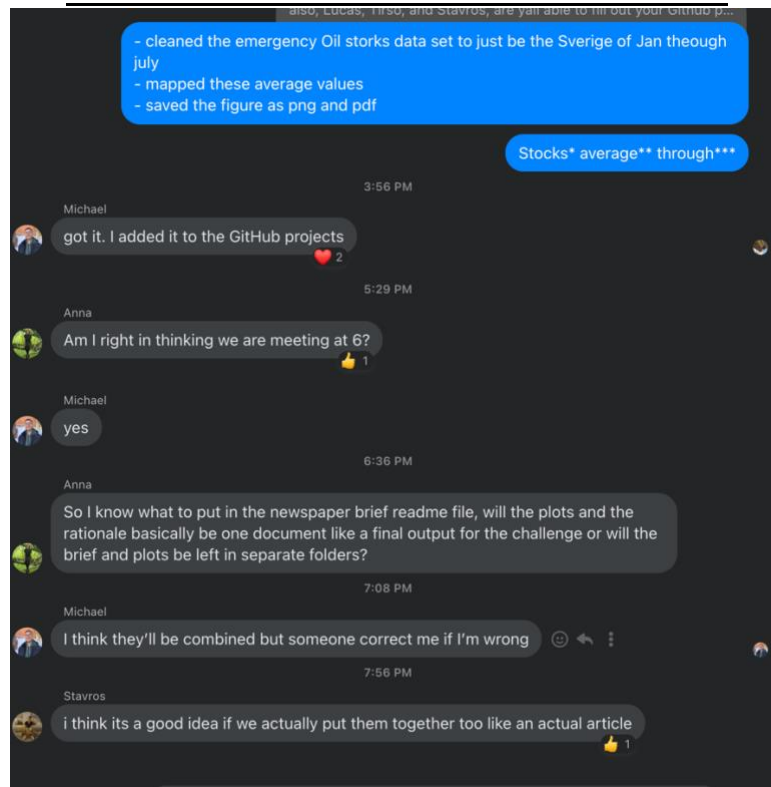

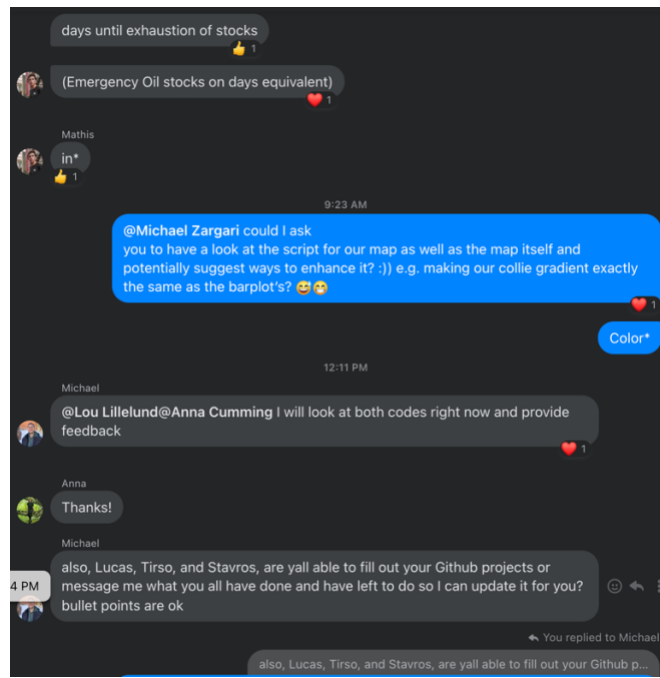

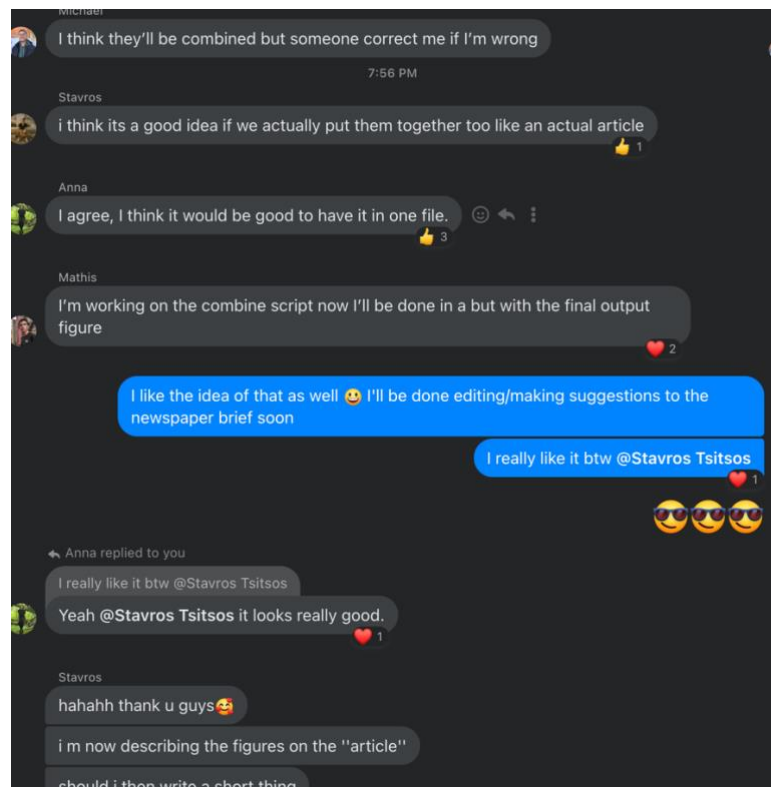

\*Further collaboration on Facebook messenger after 21:00 BST on 03/11-21 is not included.
